CLASSROOM NEWSLETTER

November

God, let them see You in me!

Email: jill.williamson@rdcrs.ca

Phone: (403)341-3777

October has quickly passed and we are already beginning our third month of school. A "BIG THANK YOU" for sending the snacks and treats for Halloween. A great time was had by all!

Congratulations to IW for winning the Read a Thon pizza party! This is fantastic and all thanks to your support of this school-wide fundraiser which raises money for our fieldtrips and school events.

I am so excited to meet with you next week to discuss your student's progress and goals for this year. Parent-Teacher conferences are Monday Nov. 5th and Tuesday Nov. 6th. The book fair is open for both evenings of Parent-Teacher conferences.

There will be a Remembrance Day celebration at the school at 10:30 on the 6th. All are welcome to attend. Following that is the November break (Nov. 7-9).

Thank you for taking time to read this newsletter and for helping us with our classroom projects.. Your continued support is greatly appreciated.
~Mrs. Will

We have been learning reading strategies and are using them to create a CAFÉ menu to set reading goals. The reading strategies are reviewed during daily mini lessons and give us purpose and direction when we sit down to read.

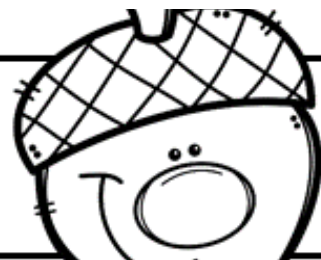

They include:

3 Ways to Read (read the pictures, read the words and Retell the story)

Choose "Good Fit" books

Check for understanding- Who are the characters & What happened in the story?

Look at the words and letters
i.e. Tracking when reading
Know your sight words

In Religion we are learning that the Bible is the word of God. We are studying some two special people at the moment; Noah and Abraham.

Sight Words - We are close to completing our Pri-Primer list of sight words. I will be sending home flashcards for you to cut out and practice with.

In writing the students have been excited to see how quickly their efforts are paying off. Please look at the small collection of writing that was sent home and celebrate their work. Writing activities are completed in other subject areas and we have also completed a few collaborative class books together. To support your author at home, you may want to get your child a notebook to write their stories in. If they bring it to school, I will always let them share these with the class! Truly, this will be an amazing year of growth for your little writer.

Math: We are finishing up work on our Patterning and Sorting Unit and will begin Addition to 10.

Social Studies: We are working on Topic 1- My World: Home, School, Community.

Science: What fun we are having in Science! We are continuing to work on the Creating Color unit as we blend and mix paint to discover which secondary colours can be made with the three primary colours: red, blue and yellow. A special report we're working on will be shared on Remind. Stay tuned!

**A request for school supplies. Please send a 1-inch, three ring view binder that allows for an inserted front cover and an inexpensive set of kids headphones (not earbuds) with an adjustable headband. Both items can be found at a dollar store.

November 2018

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Sharing themes this month (suggestions): an item that begins with the same letter as your name, a picture of someone special, a favorite song or musical instrument. Coming up on our next STARS day (Nov. 29th) is our next Spirit Day, "Fan"dom Day! For "Fan"dom day, students can dress up as something they are a fan of. This can be a sport, activity, person, or anything that they enjoy! Please send a 50 cent donation on that day for the Holy Family School Foster Child.				1	2	3
