

Holy Family School
2019 / 2020 Year-End Plan

Dear Parents/Guardians:

Thank you for your support for our school, our staff, and most importantly our students over these past few months. Our highly unusual school year is coming to a close, and we will need your cooperation in order to conclude the 2019/2020 school year. The school divisions in and around Central Alberta, including Red Deer Catholic, have agreed to close term 3 on Friday, June 19, 2020. This means we will be asking our teachers to move away from online learning, and support our school with the large task of collecting Chromebooks, and other school-owned materials.

With the necessity of collecting library books and devices, and closing the school for the summer we are seeking your cooperation in returning all of our borrowed items. To assist in this process we have created the following schedule for our students and families to follow. Please read the schedule and return materials so that they may be made ready for the next school year, whatever that may look like.

INSTRUCTIONS:

1. Wipe down, the borrowed device & charging cord with a Lysol Wipe or other disinfectant.
2. At the appropriate time and date, return the device to the school, 69 Douglas Avenue, by entering the school parking lot via the drop and go entrance.
3. Within the loop, you will see clearly marked tables arranged by the first letter of the last name.
4. Parents are asked to drive up beside the appropriate table and leave their borrowed device and charging cord on the table.
5. A staff member will be there (at a social distance) to assist with the collection of the devices.
6. If parents have a library book or other school materials they need to return, they may do so at this time as well.
7. Damaged, or not working devices need to be identified, so please let us know if there is a problem with the device that your child has borrowed.
