We have had a wonderful start to our school year in September. The students have done a fantastic job adjusting to our new protocols in regards to Covid-19. Although school may look a little bit different this year, our class and our school as a whole has seamlessly adjusted. A huge thank you for all the help that you are doing to help us navigate these different times.

## Important Information

All students in the class have now been added to our Google Classroom site. There will be class material, announcements and assignments posted on here. I will communicate with students when I am posting something on here so that nothing comes as a surprise.

Each student has also created a Google Slides document to serve as their agenda this year. They are able to access this from home and are encouraged to check their online agenda daily if possible.

At Home Reading Logs were sent home last week. This is to help students develop a positive relationship with reading at home and not just at school. If you are in need of another form please have your child ask me and I will gladly send additional forms home.

A huge thank you for the support in monitoring your child for any Covid - 19 related symptoms, as well. We truly appreciate the work you are doing in making sure your child is able to be at school.

Again, please feel free to reach out to me if you have any questions or concerns. I can be reached at [julie.wold@rdcrs.ca](mailto:julie.wold@rdcrs.ca)

Thank you for helping to make this year's start up go so well.  
God Bless!

- Mrs. Wold
