

Holy Family School Meet the Staff Open House Kindergarten to Grade 5

August 2022

It is officially back to school season! It is the time of year that our students are filled with excitement and anticipation as they prepare to meet their new teachers. As parents, you are ready to send your child off for a new year of adventure and staff are preparing to welcome a new group of learners. This time of year is exciting. The staff are rested and rejuvenated and the floors in the school are shiny. We are ready to open the doors and reconnect with our community. Connection is the key to a successful school year.

After experiencing great success and receiving positive feedback, the staff at Holy Family School will hold this year's Meet the Staff evening on Tuesday, August 30, 2022. Slight changes have been made to the format to allow open access with no gathering restrictions. Please plan to attend this open house with your child and connect with school staff. Your child's teacher will send you an email by 3:30 pm prior to the Open House introducing themselves.

Tuesday August 30, 2022

5:30 - 7:00 pm: Open House Meet the Staff

Please note multiple entrances will be unlocked around the school, doors will be locked at 6:45 pm

Our Open House format will allow Kindergarten to Grade 5 parents and students the opportunity to visit the school, find their classroom, drop off school supplies and meet their classroom teacher. We anticipate that this format will eliminate some of the anxiety students and parents may experience on the first day of school. Students will arrive at school on the first day already knowing where their classroom is, who their teacher is and perhaps know a few of the children in their classroom. They will also not need to bring their supplies as they will already be at the school!

We will be unlocking the doors at 5:30 pm and locking them at 6:45 pm. There will be no posting of class lists so be sure to check your email inbox (and spam folder if you cannot find it by 4:00 pm that day) for an email from your child's teacher.

Our administration team, LIFT team and counselling team will be greeting families at all entrances and look forward to welcoming our families back for the 2022-2023 school year. Please know that class lists have been created with thought and care to achieve balanced learning environments and to ensure success for all. As always, any questions or concerns please contact the office to make an appointment.

We are very excited for the new school year and anticipate a wonderful turn out for our Open House.

Sincerely,

Holy Family School Staff
