We will continue to work on our Daily 5 activities. This month, the children will be taking part in many writing activities. We are in the process of adding **elaborative details** to our writing in order to make it more interesting. Our class has also been writing well, thought-out **descriptive paragraphs**. We worked on adding a variety of **sentence starters** to our descriptive writing to make our **snow monster paragraphs** more interesting.

Social:

Students will be presenting their Google presentations on Tunisia to the class. For our next unit in Social, we will be studying the country of Ukraine. We will fly to Ukraine as soon as we finish our presentations.

Math:

In math this month we will continue to work on Developing Number Sense for adding/subtracting 2-Digit numerals. **Please continue to work on mastering addition and subtraction facts to 18 at home as well.**

Science:

Students will continue learning about **Hearing and Sound**. We will be discussing safe hearing, soundproofing and amplifying devices.

Home Reading Program:

Students are encouraged to read on a daily basis and participate in our Home Reading Program.
