

# MARCH NEWS

## A NOTE FROM THE TEACHER:

February feels like it no more than began than it had ended! We saw some very cold days and spring-like weather. Student Led Conferences are just around the corner and we are more than halfway done school – which seems a little hard to believe. Stay safe and have a great month!

## EVENTS

- March 2nd - Lent Mass at St. Mary's Church at 10:30 am.
- March 6 - HFS SPARC Carnival 6-8pm
- March 10 - PD Day No School
- March 17th is St. Patrick's Day - don't forget to wear green! Bring an extra snack for an afternoon treat.
- March 22nd-23rd Student Led Conferences. Look for an email from the office for more information.
- March 24th: No School
- March 27-31 Spring Break

## REMINDERS

- Look for information regarding Student Led Conferences and how to sign up for them from the office.
- Be sure to read the daily Lent activities in your special calendar that was sent home for faith and family activities as well as Food Bank contributions.
- Please see the calendar for hot lunch dates and please remember to return your library book each week.
- Students: Don't forget to be kind, be helpful and be respectful! ❤️

## LEARNING FOCUS

### RELIGION

Lent is the season beginning on Ash Wednesday, lasting 40 days plus Sundays. It ends with the celebration of the Evening Mass of the Lord's Supper on Holy Thursday, prior to Easter. We observe Lent through prayer, fasting, almsgiving, and penance as a way to join spiritually to Jesus.

### MATH

We will be working on numbers to 100. At home you can practice counting by 5s and 10s to 100 and by 2s to 20. Next, we will continue working on Subtraction from 10.

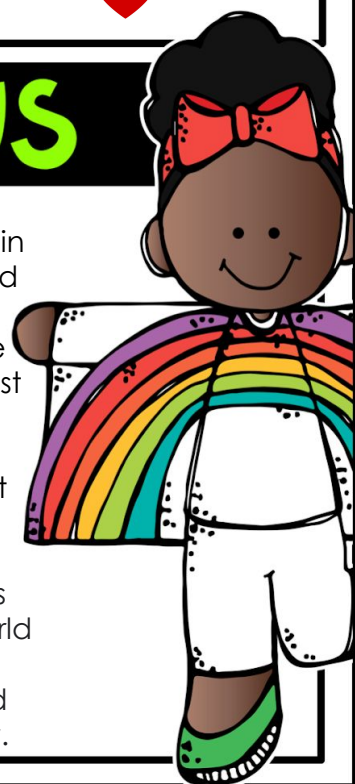

### READING & WRITING

We are continuing our hard work in reading and writing. Please spend some time each day going over the DOLCH Primer Word List as we will be checking students on this list throughout the month.

### SCIENCE & SOCIAL

In Science, we are learning about the 5 senses. The sensing organs associated with each sense send information to the brain to help us understand and perceive the world around us.

In Social, students will explore and discuss aspects of our geography.
