LEARNING FOCUS

READING

If your child has mastered the DOLCH Primer word list please move onto the DOLCH Grade 1 list (the last word list in Grade 1). Please ensure that home reading and the decodable books continue to be a key part of your routine. We will continue working on building comprehension. Reading is thinking! Help your child practice at home by talking about what happened in the book.

RELIGION

We will be learning about the Easter Season and reading Bible stories about the Miracles of Jesus.

MATH

We will be studying 3D objects, measurement and mixed facts. Practice in adding and subtracting would be helpful.

SCIENCE & SOCIAL

In Science, we are starting a unit on Animals and Plants. In Social Studies we are going to learn about how we can contribute to our community and take care of the environment.
